“ *Although we weren't the closest of friends I feel like Mona and I could have been sisters for as long as we had known one another. Watching our siblings, John and Aleatha, throughout their relationship I think we felt a kinship. Both of us the babies of the family and definitely being the "little kid sister", our similarities seem limitless. It is impossible for anyone to fill the shoes of beloved daughter, friend, and baby sister. Rest assured Mona, we will make sure that the nephew and niece you so adored know such and remember you always!*

My thoughts and prayers are with the entire Barron family. Your grief, though immeasurable, pales in comparison to the love you will always have for Mona.##imported-begin##Heather Grunduski##imported-end##

“ *I love you and will forever miss you! Your most infectious laugh and big smile I will carry in my heart. You were the sweetest kid that grew into a loving and wonderful adult. I will share my memories of you with your niece. Addie will miss her MoMo!*

I love you!
