“ I am so sorry for your loss. The loss of a loved one is so heartbreaking. We all desire to live on and on and enjoy live with those we love. Is there any hope for the ones we have lost to death? What does the Bible teach. Most people who have died will be resurrected. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) In harmony with Gods original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. (Luke 23:42,43) This promised future includes perfect health and everlasting life for obedient humans . The Bible says: "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29. See also Job 14:14,15: Luke 7:11-17: and Acts 24:15. I hope that this entry will give you and your family some comfort and assured hope. For more comfort contact the local Kingdom hall of Jehovah's Witnesses.##imported-begin##FH##imported-end##

“ I send this message to Ramon's family in Mass as that was his true love in his soul. He told me many times how much he loved Krystal and Zely and how he wanted to go home to you. I will forever miss his texts, talks, and his love. My pain is that in this life I will miss his voice, but I will have his spirit with me each day and will see him again. Ramon has been released from his pain and sadness forever.##imported-begin##Ms. D##imported-end##

“ Dear Ramon

Bonnie is calling your name all around the house, " mone,mone", where are you. Bran's looking for you because she really "wants to talk".

I'm waiting for you to come home so we can hang out so I can hear about your night.

Mom and Dad likes to go to bed knowing that all of us kids are home for the night, safe and sound.

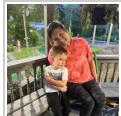

There is one problem. You wont ever be coming home again. God has you know. I pray that you are in paradise.

I have to admit that i'm kinda in denial that you have passed. This is so surreal. I am so sad and my heart hurts.

Idk.....on the other hand it's a numb hurt and a numb sadness. I will always be thinking of you and all of our memories, and will always love you Ramon.
