“ Randy was my brother and he always had a sweet, loving and caring personality and always had a smile on his face. He was a beautiful baby and grew into a handsome man. He was the baby of eight children and was always the apple of our parents eyes. Growing up he played hard with his bothers, cousins, and nephews and loved his nieces. He adored his Mother and would check on her every day after he got married to the love of his life, Sandra and moved into his own home. Blake came along and he was so proud of him and made sure his mother got to see him often and that she had pictures of him. We all loved Randy very much and it will not be the same without him. I know he is rejoicing in Heaven with all his loved ones that have passed before him. I look forward to seeing him again one day. Rest In Peace little brother. ❤️🙏

“ Sandra, this is so sad to hear and my heart and prayers, are with you all. I really enjoyed the friendship, with Randy and good times we had knowing each other. You and the family will have wonderful memories of him and the Love he gave the family. I will always, remember the day my son was born because Randy was the first person I saw at the hospital and that smile made my day. God Bless You All.
