*Annie and I just thought the world of Randy and Sandra. Randy was my kind of guy...down to earth, kept a little to himself, but if you asked him about life, he'd shoot straight from the hip. He and I saw eye to eye from the get go when they built their house and moved by us. Loved getting his "neighborhood corn delivery service". We'll miss seeing the UTV riding by nightly with either him, Sandra and the dog, or just Randy and the dog checking on folks as they rode. Our Clover Drive neighborhood will miss those rides and friendly conversations.! With Love. Craig and Annie Mitchell*

*Sandra, may the Lord's grace and strength uphold and comfort you at this time.*

*I had not known Randy for a long time, only the five years that we have been members of Social Circle Baptist. But it only took a short time for us to know that Randy was our kind of guy. He and I shared some common things and he was able to give me some comfort for what I have been going through. He could absolutely charm you with his funny side, which made sharing with him a lot of fun.*

*He we be missed by all who knew Randy.*

*God bless and keep you*
