“ *Randy was a fellow student with me back at SDSU. He was an upperclassman that treated me as an equal . When he heard that I had an interview for PT school in Duluth Mn. He just said I know Duluth and Heck I'll drive you there . He was such a selfless and kind soul to me . I only now wish that I had stayed in touch over the years . Rest assured he inspired me*

“ *Deb , Nicole, and Austin  
Mel and I were shocked to hear of Randy's passing. May God keep your family in his loving embrace. I don't recall when we met as co-workers at the Health Dept in Pierre but I can say with certainty Randy was a person whom you felt you have always known. What a gentle giant with a heart of gold!!! God bless you and your family abundantly in this time of sorrow. HE will wipe away all of your tears, lean into his arms.*

“ Deb and family, I'm so sorry to hear this. Randy was the first CDC project officer for Iowa's lead program. He was so great to work with. During one of his trips to Iowa, he hunted on my farm and helped me put up snow fence. Another time, we had to drive from Dubuque to Sioux City. I had a sore throat and wasn't feeling well, so Randy drove while I slept in the back seat. Just two examples of how Randy was always willing to help anyone. He will always be remembered in Iowa!

“ My heart is breaking for you and your family. Randy was a big guy with a big heart and such a laugh.. much like his mom's. He packed a lot of living in his short life. I remember fishing with him at Lake George, Fl. The mayflies were out in force that night, but we caught a bunch of fish including a small gator.... LOL.. Randy was here for me when my husband passed away. It was a long ride and I know he was in pain then. I will never forget the kindness he showed me, Kris and Steve.. I wish I could make the trip to say one last good bye . Rest in Peace Randy, you will be missed more than you know. Love and big bear hugs Mary Jo

“ We pretty much grew up as close cousins when we lived in Walled Lake & they lived in Waterford, while his Dad Paul worked for Wards. I have many fond memories of hanging at their house, until my teens when they moved. Randy was so much fun, such great times. I am so sorry to hear about this, he left quite an impact on the world. Condolences & love to family.
