“ *It's been 9 months my dear sweet friend and I've only just found out of your passing. I went to look at the Walton Tribune to check in on the latest and there I see my friend Mary who has passed and saw that you preceded. I'm so sorry I did not check on Mary for you and wasn't there to give her a shoulder... It is not surprising she followed you for she loved you so much and I can't see her letting you beat her either, even into heaven. The both of you were dear to my heart, give Mary one of those hugs for me ok, she sure did make me feel better when she gave them to me. I will miss you both. RIP Son of the Legion.*
