“ I am still in disbelief. He was the only person I would allow to work on my car. He was always all smile, never even seen him upset before. I just seen him last Saturday and I just don't know how to feel. My heart dropped when I was told when I called for him yesterday. A good man gone too soon.##imported-begin##Ted Brown##imported-end##

“ My deepest condolences to the Singh family. I always take my cars to the Precision Tune and I too noticed the doors had been closed. I went this morning and found the note on the door. I did not know Ravi personally, but every time I came in he always had a smile on his face. I recommended so many people to Precision Tune because of Ravi and how helpful and honest he was. “ In passing by Precision Tune on my way to work I noticed that the garage doors had not been opened the last few days. Today I stopped to see what was going on, and found the devastating news on the door. I have always taking my cars, my families cars and referred anyone I knew to Ravi because he was so trust worthy and had a GREAT personality. I am deeply sorry for his family as I know he will be truly missed. Just remember we will see him again one day, and until then keep him in your hearts and remember that wonderful smile of his. “ This world will never cross path with another RAVI as he was and is one of a kind, always with a smile on. He will be missed by all of us, but his legacy will forever live on. To the Singh family turn to god as he'll show you the way, to comfort in knowing RAVI will be well watching over you. Brandon and Andrew, your dad loved you two endlessly, you are his pride and joy. Keep his love alive and you'll one day accept that his body has left but his love and spirit lives on. May you R.I.P dear friend.
