“ My memories of Ray come from our childhood. We lived in the same neighborhood and all the kids us kids played together. Those simple times of playing in the yard, riding bikes and just romping from house to house bring back such good memories. Thoughts and prayers to all family members. Elaine Brock

“ Ray was a good person and he was always in a good mood. I loved going to school with him and playing softball in his parents front yard during the summer. He never said anything bad about anyone. God take care of this great person. Love you Ray. Becky and Rodney Garmon.
