“ My prayers are with his family at this time of your great loss. I am a friend of Annette, one of his sisters. I don't know of another family like the Smiths. Annette always speaks so lovingly of all her bothers and sisters and in-laws, and I feel like I know all of you.

“ I always enjoyed talking to Raymond. He had many of the same hobbies as I do. Any time we were at the same place (regardless of how many people were there) I could always be found talking to him about his go-carts or antique motors or photography or military service. He made some of the best pictures of my wife Elaine and I after we were married. He was never in a hurry and always had time to talk in great detail about his latest project. I will miss him. He was the real thing.##imported-begin##David Allen##imported-end##
