“ Linda, I never got to meet you or the rest of your family and only know you from the wedding pictures that "Bub" was so proud of. I just wanted to tell you what a great guy he was--a sweet, gentle man with a great sense of humor. You were lucky to have had him in all your lives.

“ I had the pleasure of meeting Ray as he filled the position of supervisor at my place of employment. Ray always brightened my day at work even when I had to deal with difficult situations. He always showed his appreciation and concern for his co-workers and all of us in turn shared a great fondness for him. I consider him a gentleman of honesty and integrity who will be missed greatly and remembered for many years to come. The world would be a much better place if there were more people like Raymond Terry. May peace follow him and those that he left behind.##imported-begin##Mickey Medley##imported-end##
