“ My Granny was the best in the world. So many wonderful memories. She was more than my Granny she was also a mother figure and best friend. She was always there for me and for all of us. She put others before herself. She was a true example of a good Christian woman. No words can describe how truly great she was. Life would not have been the same without her. I spent many weekends with her and enjoyed every minute. We picked strawberries, watched “movies” in the clouds. She was my favorite person in the whole world. Love you.... I’m blowing kisses your way;) Jennifer (your granddaughter)

“ Aunt Reba 's family, I wanted to tell you that your Mother, Sister or Granny was so precious to me! I will always remember the sweet hugs after my Momma died. She spent Friday nights with Momma for a long time while Uncle Tom had to sit up with his Father and they giggled like school kids in the bedroom and really enjoyed each other! My Momma was already sick with cancer and Reba's sleep overs was something she looked forward to doing. Aunt Reba always called me Sister and made me feel so special to her! My memories of being a young child will be that we went to Uncle Tom's and Aunt Reba's on the weekends after Daddy died. I thought for sure that Linda was a teenage "DIVA" in my eyes! Danny we have had some fun times that brings a smile to my face even today! Tony was older than me and Aunt Reba would send you to stay with us after Daddy died to make sure my Momma wasn't afraid. Tony I know you didn't want to be with us but I will always remember you for doing that for our family! I could type on and on but I just wanted to give honor to my special Aunt Reba. I love you all! “ *Dear Granny, anytime I hear your name I have and always will think of your delicious, homemade comfort foods (my favorite being vegetable soup with homemade biscuits); your sweet smile and long hugs (you never met a stranger); Easter egg hunts in your yard with all the cousins; the "snake" you kept on top of your car hood to keep the cats from jumping on it; Santa Claus being in the back room of your house :); strawberry cupcakes; German Chocolate cakes; grabbing you on your neck and tickling you until you couldn't stand it anymore; leaving you messages on your home phone until you'd answer; picking baskets of peas and corn then shelling and shucking them in the rocking chairs of your porch; and picking and eating walnuts from the tree by your back porch. There are so many memories I have with you and not one of them was a bad one. You always made sure your family was smiling and happy. I will never forget how special you made me feel. I love you always and forever.*

You left one thing out...her famous peanut butter balls she would make every holiday. I ate so many one year I literally made myself sick. Oh and the butter bowls she would save so when we all got together we could dig for treasure around the old barn.
