“ *Jane not only taught me in middle school, but was my neighbor when my husband and I bought our first house. She was always so nice and a great neighbor---she even showed up the first day with a welcoming pie and ice cream! I miss talking at our backyard fence about the various flowers in our yards. Prayers for you and your families during this time.*

“ *Sending our sympathy to Jane's family, from the Milan High School Class of 1959, Milan, Tennessee. We remember what a vital asset she was to our class through academics, athletics, and friendships. We all recall her beautiful smile and finesse on the basketball court. Memories! Thanks, Jane.*

“ So sorry to hear about Jane. We were like sisters when growing up. I still remember the great meals we had at your house. I also remember her over-the-head shot. I could never shoot it myself. You all have my condolences.
