“ *Wendi and Sarah...*

*I am so very sorry to hear of your loss. Becky holds a special place in my memories. She and mom worked with Lamar Waldrip at Best Mobile Homes in the early 70's. I remember her being so "hip" back in the day. She had such a wonderful sense of humor. Wendi, when she and your dad were together, they hung out with my folks. I used to babysit you...what a cutie you were! You were the light in your mom's life!*

*Sarah, I can only imagine what it must be like to lose a sister. She loved you dearly.*

*Hold on to those memories of the good times and I will pray for our Lord to strenghten you both during this sad time.*

*Sincerely,*
