“ *It has been a few weeks since I heard about the loss of such a special and kind woman. I feel like the reality of it just hit me. It seems like every person I know is going through some of the most painful trials in their life right now . But know this Regina was respected as a good and kind person and will be missed. I remember her sweet smile and the way she chuckled with love in her heart when she talked about her family. I am very sorry for your loss.*

*Regina was the legal assistant with my team at the District Attorney's Office when I first started three years ago. She was so sweet and kind and made me feel welcomed. She always shared stories of her vacations and special times with her family which was so important to her. She will be missed but I am glad I had the opportunity to get to know her. I will be lifting the family up n prayer during this time.*

“ It's been a few years since Regina and I went out on FAITH Outreach Mission together, but I always loved going out with her. She was the most positive person; she loved the Lord; she had a great sense of humor; she was always ready for the next adventure in sharing the love of the Lord with whoever we were able to talk to. I am sad that she is gone from the earth, but I know that she is rejoicing with the Lord just as she rejoiced when she live here! Prayers for comfort for the family! She will be so greatly missed!
