“ I first knew her as Regina Earley at Northside and remember when she became engaged and married. As we struggled many times to keep up with the volume of patients in Labor & Delivery if Regina was "covering the house" we all knew that she would support us and do her best to send us extra hands to help. Most of all, she brought a smile , laughter and a sense that everything was going to be all right to any situation. I will forever treasure my wonderful memories of working and learning from her at Northside. My sincere sympathy & prayers go out to all of her family. Linda Lawson

“ I was an anesthesiologist at Northside Hospital. When i was there on night call, i could always depend on Regina for another pair of hands and, often, some good advice and comforting thoughts. She was a pistol who overflowed to all parts of the hospital in a helpful way. Her staff loved her as mentioned above and doctors appreciated her talents. Her sense of humor kept us all going during bleak nights. It is difficult to imagine all that energy gone. i thought of her often over the years.

My condolences to her family.

*Sincerely,

“ *Family and friends of Regina: Regina was manager of Sub ICU at Northside Hospital and hired me as a new graduate nurse. She also was evening house coordinator. She was very respected by the nurses, was known that if you were right, she would fight long and hard for you, yet, if you were wrong, she made it very clear how you should have handled a situation. Loved Regina! She was a great mentor, leader and nurse!! May her soul rest in Gods merciful peace! Becky Fernandes*

We are very saddened to hear of Regina's passing. We know how much she was loved and especially how much she was loved by her husband, Serio. She touched the lives and hearts of many people through her years as a nurse and even after she retired. Our deepest condolences to Serio and all the family. May you be comforted by your wonderful memories. May she rest in peace and may you all be comforted by Our Lord, Jesus Christ. Ann and Ray Prosek, St. Oliver's
