“ *So sorry to hear about Billy. It's been a very long time since I've seen him but I will always remember the fun our families had while Billy and my Daddy and all the men played in the church softball tournaments. He was always very sweet and smiling! I pray God gives your family peace and comfort during this difficult time. Sincerely, April Anderson Sass*

“ *I first met Billy when he was a patient where I worked. Later we attended the same church. He and Sara were very welcoming and kind. He especially took up with my husband and was a great encourager to him. He was a blessing to our son during a hard time in his life. I will always remember his smile and sweet, giving spirit. God Bless you all.*

“ Billy Leach loved his family, friends, churches and most of all his Savior. He and Sara were such influences on our young lives. Preaching, Teaching Sunday School and Vacation Bible School for years at PGBC. Steve worked with Billy and Keith one summer and it was truly a great experience for him. The one memory that I Thomasa have to share is the year we went to Six Flags with the church. I was maybe twelve years old and we always ate lunch before we went in. The brown bag lunches were served at picnic tables at the lake. I was trying to feed the ducks and fell in the lake. Billy loved to tell this story on me for years! I was not so thrilled. But it made him laugh. Billy and Sara were a true example to Steve and I on how you should love each other timelessly. Our hearts go out to this wonderful family that are such a huge part of our lives. A special pray to Sara a beautiful woman of God and to our best friends in the world Keith and Janet. We love you. We are here for any of you if we can do anything to bring comfort at this difficult time.
