“ *My husband, Charles Cole worked with Rev Brady starting around 1963 for about seventeen years at General Electric. He married us at his home on March 8, 1963. We kept in touch for some years then we started wondering if he was still alive. We are very saddened that we could have reached him anytime before now, but didn't. Charles told me not long ago that Nain would practice his sermons to him each week but sometimes realized on Friday that he had been thru it so much that he would have to change his sermons. We really respected and loved him. Charles and Martha Cole*

“ *I praise the LORD for Brother Nain Brady who preached my ordination sermon and along with my Pastor, Tolbert Moore and Don Jackson, laid hands on me and prayed in 1995 for God's Power to be upon my life. Thank You for your Faithful service my brother.*
