“ I love this family like my own. I have so many fond memories of my younger life because Rev Beddingfield and his family were a part of so much when I was growing up. He was and will always be my minister. He baptized me when I was 12 and he married me and my late husband in 2000. He was there for my mom when she succumbed to Cancer and he was there for my late husband when he passed in 2012. He is in the presence of God and Heaven is rejoicing to receive such a warrior for Christ.

“ I am so sorry to hear of Fred's passing but comforted to know where he is right now! I will forever remember the times growing up and being at the house with Melinda and the family, sitting under Fred's teaching at church and having him perform my wedding ceremony. (It has lasted 39 years!).

You will be missed but so grateful for your example and your unwavering faith!

“ I remember PawPaw preaching my Mamas funeral. Even though he didn't feel very well, he sat in a chair and did a beautiful service. I will always be grateful for his selflessness in doing that. You left an awesome legacy that will live on for generations. I love you sweet man. Rest on high knowing you had a life well lived.
