“ Henry was my Dad's roommate at Winder Healthcare for 3 years. I absolutely loved Henry. We shared the same birthday. We celebrated together, he like coconut cake! We would laugh and watch baseball. And he was a great man. I know he one of God's angels now. I hope he is at peace. All my prayers to the family.##imported-begin##Jill Otwell##imported-end##

“ I am so sorry to hear of Grady's passing. I dropped in several times to see him and was privileged to see him last year at the "reunion". I always enjoyed talking with your dad and sharing the many memories our families had together. I know there is nothing that can be said at this time to ease your pain, but please know that you all are in my thoughts and prayers, and know that we all shall meet again.
With all my love,

“ I am so sorry to hear of Grady's passing. He was one of the kindest and most polite gentlemen I've ever met, and he so enjoyed family.

When we placed Mother at Winder Healthcare, Grady immediately took her under his wing telling me that he would be sure to look after "Aunt Snowdell". . .and he did. How sad that their passing was within 4 weeks of each other.

Again, I am so sorry for your loss.##imported-begin##Carolyn
