“ I have many special and fond memories of Homer, my dear cousin and friend. I will never forget all of us growing up together--we had some hard times but happy ones, as well. I will miss your sweet smile and positive attitude. When I think of Homer, this scripture 2 Timothy 4:7 comes to mind.

" I have fought a good fight, I have finished my course, I have kept the faith'

Rest in peace, we will see you on the other side.##imported-begin##Annette Milford##imported-end##

“ It's so hard to even begin to tell you Homer what a blessing you have been to me in my life. I have always looked up to you, respected and admired you for always being such a wonderful soldier for the Lord. I am so very thankful God brought you and your family into my life. As I look back on life, I can see that the Lord knew when my own Dad passed away almost 15 yrs. ago and I didn't feel like I could go on without him, that I would need someone like you to be that "father figure" for me and you sure stepped right up and fit that description. You said, "Chris... you are like one of my own kids and I will be there for you and you sure were and I sure hope you know just how much I loved and appreciated you for always being there for me. Thank you so much for all the prayers you put up for me and my kids and my family. I always knew I could count on you and I could come to you for advise. I knew you would help me pray and would help to lead me in the right direction. I am so proud for having the honor of being a member of Holly Springs Baptist Church where you were the pastor for so many years where I was able to worship with you in spirit and in truth. What a wonderful and caring pastor you were. Your leadership had a big impact on my life. Sometimes when you were preaching you would mention my Dad and say "the best friend I ever had in this world... old Bill Jackson... has already gone on to be with the Lord" and then you would mention something my Dad did or said and it would just bless my heart so much. My words can never begin to express what you and your family have meant to me and my family over the years. There is an emptiness in my heart because I have now lost my 2nd Dad but when I think of what a wonderful time you are having strolling all over Heaven with my Dad and your friends and loved ones that you have been longing to see... well then my heart feels comforted. You have preached about it, talked about it, sung about it and taught about it and now, my friend, you have reached your destination...SWEET HEAVEN... the place where you have been longing to be. Until we meet again in Heaven.... I love you Homer and thanks for all the great memories. Love,

“ This great man of God will be deeply missed. Homer was more than just my preacher for 37 yrs he was a father figure to me after my daddy passed and always assured me i would see him again one day. He taught me great things about Gods word. He was the kind of man/preacher the world needs more of and will be missed by many. My heart goes out to his family which will be in my prayers. One of his favorite songs we had to sing in the choir every sunday was "I remember the time" praise God he is now with the one he has preached and sang praises too. We will meet again one day and never part!##imported-begin##Kim Wood##imported-end##

“ Words cant describe the sadness that my heart feels. Homer Long was the most loving, caring person in this world. He loved me and my family like we were his own. He was my pawpaw Bill's best friend and he told me when pawpaw died that I cant ever replace him but I will be the next best thing, and that he was. He has prayed for me and my family and helped me through alot of trials in my life. He has prayed for our lost loved ones and never lost hope. He was a inspiration in our lives. I will never forget the times I got to spend with him and Ruth. I will cherish every memory that I have with them. I can only imagine all of them in Heaven. My heart is broken with the loss of Homer but at the same time I find a smile upon my face just knowing without a shadow of doubt that he is strolling over heaven! I love you Homer with all my heart, you may be gone but will never be forgotten!!!!##imported-begin##Tiffany McElroy##imported-end##

“ Words cannot descibe the impact that this wonderful man had on my life. He was like a father to me and lived up to that father figure when my own dad passed away. He and my dad were best of friends and we had many years of good times together. I loved him with all my heart. His love for God and his church was so great. He was so humble and one of the most Godiest men I've ever known. I know that he is in Gods presence today and in Heaven where he is reuniting with all his loved ones. He talked so much about his little baby girl which is in Heaven waiting for him. He also talked about how much he missed my dad, so I'm sure he is having a joyful time, even though it's a very sorrowful time for all of us left behind. I love you Homer and will miss you greatly.
