“ Goss and Jackson Family... We are so sorry for the passing of Rhonda. RHonda was so wonderful to our girls CHelsea and Brittany when she helped babysit our kids with her mom. Our kids loved Rhonda and she helped them so much to grow during their earlier years. She came through for our family while times were tough. We will always have wonderful memories of her. We pass on our prayers to your family and hope you find comfort knowing that she will be your guardian angel. My the good Lord bless you during these difficult times. Many prayers and Love... “ *Rhonda's room growing up was filled with Reba and horses and "boys (especially Keith) were NOT allowed". She even had a sign on her door. We were doing our hair getting ready to go the Lodge, and Dad popped in and sighed - too much red hair in one room. Rhonda looked up and said "Dad! You're A Boy! Read The Sign!" Then she shut the door in his face. That was the bravest thing I ever saw. Rhonda was truly amazing.*

“ *Tyler may remember this, I believe it was his 5th grade year and Tyler hurt his leg, the school nurse, assistant principal and I all went running out to the playground. We were evaluating the situation and felt it best to get Rhonda (she was in the building if I recall correctly). Regardless, she came careening over the curb and through the grass to get to Tyler, swooped him up and plopped him in the car and took off to the Dr. We all just kind of stood there and said, "Well that's Rhonda for ya!"*

“ Rhonda was such an energetic personality at SES. I will forever be grateful for her help delivering Christmas gift to one of our students last year-we put a huge load of gifts in a shed behind someone's house only to realize later it was the wrong house. We laughed and laughed about it until I realized I lost my Walkie Talkie somewhere along the journey. Rhonda retraced our steps (well after I had lost hope of finding it) and eventually came to my office with it! I was so thankful! I am thankful she found a niche at SES- the students adored her and she graciously gave her time willingly to faculty and staff. Mr. Goss, Jacksen, and Tyler, my heart goes out to you. You lost an amazing wife and mother. Please know there are so many people in the community that will do everything we can to keep her memory and energetic spirit alive!
