“ *Sorry for your loss. Richard was an amazing individual. Every time we ran into one another we made each other laugh the entire time we spent together. When my wife Billie passed away he invited me over for meals, cleaned my house, and checked on me constantly. I will never forget him. Ed Cox*

“ *Richard was a quiet, steady spirit. He took us under his wing years ago. We didn't worship with he and Pat until 2010. We immediately felt kindred spirits; with heaven foremost in their minds! Their children show the same loving and giving spirit! We may ot be physically related, but the spiritual bond is strong, and we are so thankful! We love all of you, and while we are separated from their loving spirits, we will rejoice and look forward to our glorious reunion!!! We love y'all so much!*
