“ *I first met Rich and Sharon while we were both stationed at Coco Solo Naval Station in Panama. Had so many good times with them both, including trips almost every weekend driving across the Isthmus to Panama City (50 miles) on the things Panama called roads, just to go to the Dairy Queen, play some tunes on the jukebox and eat. We also went together on a tour of the Panama Canal on the brand new USS Dixon, a subtender, going from VA., through the canal and onto San Diego to be commissioned into service. Shared many good time and celebrations with the Tide. Rest in peace sailor, you will be missed.*
