“ *Richard was Dad.*

He had the best laugh, so happy and round. His smile so genuine. Nora, his granddaughter, loves PawPaw so much. And I knew Sven was my partner when I willingly shared one of Dad's grilled onions. (Most people got the fork!)

In high school, he drove me to South Gwinnett so I didn't have to change. My comfort was important. And he was the one that drove me to the airport to start a new life in Germany. More than missed. Dad was in my life for over 30 years. And I'm better for it.

Thanks for always looking out for me.

“ *I met Richard 22 years ago at West Walton. He was a friend from day one. His love for helping others never went unnoticed. Richard was always positive and had a contagious smile. He was so proud of the build out of the Legion Fld to enable a Legion team and other young men to play on. Richard coached the Legion team and my son in law was fortunate to play for him. After Legion ball, Richard shift to coach many of our youth baseball teams. We loved him and he will be deeply missed.*
