“ As I sit here tonight writing this.. it doesn't seem real! On this exact night four years ago you were standing next to your son as I walked down to him, my future. You taught me how to slow dance for the wedding, in the garage! You took part in raising my two oldest children... Daddy you taught so much in just this short amount of time that I've been apart of the Smith family! Harlie and Caelynn miss you more than ever! You weren't just their Grandpa, but one of their best friends! I'll never forget when Steven and I started dating I went thru the first cancer scare.. When I got the results you cried and told me never to scare you like that again! You were at EVERY hospital visit when we were expecting Caelynn and Brinlee! You were such a proud Grandpa, and such a proud Daddy! There are so many memories and happy times that come to mind.. tug of war with lawn mowers, tying Harlies jeep to Stevens truck, sneaking Caelynn her first bite of peanut butter, eating ice cream every night with Harlie, then Caelynn (she doesn't eat it if YOU don't feed it to her), and holding me as I cried when I couldn't take Brinlee home with me. I can't imagine life without you here.. I will forever honor, respect, love, and keep you in all our hearts. Please watch over us, and stay beside us like I know you have been! We will see you again one day, I'll work on that corn hole throw until then! We love you Daddy/Grandpa!

“ Twenty two years ago you chose to be my husband, and i chose to be your wife. At that time we became one! And you chose to be Candice, Chris, and Stevens Daddy, so through the years we begin making so many Precious Memories through the years we've always taught our children how to love and the importance of family and God! Our children brag everyday on how much you have taught them in their lives! In the past 7 years God has blessed us with four beautiful granddaughters Harlie, Caelynn, Echo, Brinlee! You are the proudest Grandpa I've ever known, you've always been so proud of your kids and the way they've turned out in life! You will live forever in all of our hearts we have and always will love you unconditionally baby! Your last words to me was I love you Mama you are my world!! and I will carry that in my heart and my soul for the rest of my life. We will forever cherish the thousands of memories that we have made together as a family with you. I love you my angel! We all love you Grandpa forever and always. Until we meet again you're always in my heart. I love you, 459!

“ Richard was a wonderful person. I loved hanging with him and Sherry and playing corn hole at Steven (his Son) and Amanda's house. It was an all the time thing because we would always visit the kids and grandkids at the same time. Just the other weekend we were all together. I could see it in his eyes how much he loved his family. We will miss him tremendously and always keep him in our hearts.

“ *Richard Smith will always be remembered as a loving husband, father, and friend to many . I remember the day him and Sherry got married in their living room. He was the happiest man alive that day . Richard was always focused around his wife and kids . I have a lot of great memories of Richard and it saddened me to hear of his passing . He was and is a great man . The picture I'm posting shows just how much he loved his wife, kids and granddaughters .*

“ My heart is broken. I loved this sweet, sensitive man with all my heart. I wish he had just called me, I would have done anything to make him happy. I remember all the times we spent at the state parks and exploring antique shops in the mountains. I wish I could just have him hug me again. I will always love you Richard.
