“ *I knew and served with him in Vietnam 65-66. Richard was our maint officer and a great person. I finally got in touch with him 40 some years latter. I would try and call him at least every couple of months to see how he was doing. I only found out that he had passed on 16 Dec 2015. I had not been in contact with him for quite awhile and this I regret very much. When you get to fiddlers green you will be united with all your Cav brothers. RIP Richard.*

“ *I have been disconnected from Richard for a while now but would still call him every year on veterans day and holidays. I called his number this morning to find it was disconnected and had no idea until I tried to find his number he had passed. I am heart broken. Richard was one of the most wonderful people I have ever met and had the pleasure of calling my friend. He was a positive influence in my life and was there for me when I needed him most. Richard and I worked together for many years and I miss him dearly. I am honored to have known and loved Richard and he will always hold a very special place in my heart. Thank you Richard for being such a good friend to me, I love you.*

“ *I was a substitute teacher with Mr. Weeks for many years. I remember how much the students loved him and enjoyed the peppermint candy he'd hand out. He was a kind and Godly man, and I always enjoyed talking to him. He took the time to go with me and my family to my daughters band concerts and some of her friends thought Mr. Weeks was her grandfather. He made everyone feel special. We will miss him very much.*

“ *The first time I meet him at Grayson Methodist I knew he was a special man. I got to really know him one day when we worked together on the Grayson day parade. He shared with me some of his military experiences and I could tell he took every day as a blessing. Also, worked with him at the church with the high school youth and he showed the patience of Job. As a veteran and brother in Christ, I will surely miss him.*

“ Colonel Weeks always greeted fellow VietNam Veterans with, "Welcome home, Brother." Now his brothers who have gone before him, will welcome him home. He will be missed in Grayson. He is at peace. God bless, Sir. Your brother, Sgt. Gillespie

“ I extend my deepest condolences to you on your loss. I saw Mr. Weeks a number of times, performing swallowing tests. He was invariably kind and friendly, despite my inability to devise a strategy that might enable him to eat safely. I was elated to hear that Taylor had been able to help him realize that dream! Each time I saw him, I was moved by how great his trials were, yet how light his heart seemed to be... May the Lord comfort you in His special way.

“ Mr. Weeks was an incredible man! A man of integrity and wisdom. Loved by all who have ever crossed his path. Still amazed by the amount of lives he has touched and his grace that always found a way to light up a room. I don't know a soul who could pass by him without talking to him and smiling! He was such an influence in my life and any one who knew him. He will be missed!
