“ I am Richard Webb's nephew. My thoughts are with his children these days. I'll miss Richard. I knew him growing up in Florida, of course, but reconnected a few years ago when my mother Nadine was gravely ill. I stayed at his house in St. Petersburg and was touched by his kindness, charity, intelligence, and love for his children. He was a man who knew how to get the most out of life and who had grown from the experiences of his rich life. I have told my children about him and expect that a little bit of him will live on in them.##imported-begin##Jon Webb##imported-end##

“ From a distant relative that you have not met and on behalf of the Scott family from NY, I send our thoughts and best wishes to the Webb family on the loss of James Webb, a man who I would have enjoyed meeting. He surely has left all of you with many fond memories. May each of you begin to write, tell, and share those stories with the younger generations.

Peace to all.
