“ *I am deeply saddened to hear of Richie's loss. He was a loyal friend with so many remarkable qualities: brilliant intellect, integrity, creativity, humor, and passion for film and writing. Whether short stories, movie reviews, or English essays, his writings are outstanding and are always a true pleasure to read. Richie will be greatly missed by all that knew him, but I agree with Alyn that he will live on through his words and in our memories.##imported-begin##Michael Spinner##imported-end##*

“ I am so sorry for this tragic loss. Richie was a unique and witty person with his very own way of looking at the world. He was successful in his academic pursuits and was set to add great value to our world with his intellectual potential.

*I remember one time our freshman year at Georgia Tech, I saw Richie sitting in the dining hall for breakfast, and I sat down next to him for our meal. He got a kick out of the fact that I put salsa on my omelets, and we laughed together about the weird eating habits of people. This is my favorite memory of the time I spent with Richie.*

*I am so sad to hear that he is no longer with us, and I would like to send the greatest of sympathies to his family.##imported-begin##Erika Gemzer##imported-end##*
