“ *I am so sorry for your loss. I cannot believe that this could happen to someone so special. I worked with Richard for several years at Briarcliff Oaks and we became good friends. I was sorry to lose touch with Richard as he was so much fun, had a wonderful perspective on life and would brighten anyone's day when he was around. I will remember his smile, sincerity, generosity and zest for life. With sincere sympathy, Julie*

“ Carol's little brother is gone, so suddenly. Richard was always full of color, bright red hair and multi-hued balloons.
