“ *I know this is a late post, but I am just now finding out about his passing which I am so sorry to hear about. He was such a kindhearted person. I always enjoyed seeing and talking with him. He always spoke about his daughter and those beautiful grands he would just light up when speaking about them. I meet him thru his insurance company I was the rep he always dealt with before my agent in Stone Mountain Ga retired. My sincere condolences to the family I know you all are truly missing him! “ Ricky and I were best friends from the 2nd grade through high school. We lived across the street for all those years in Montreal Woods sub division. Many great childhood memories. Last I saw him was in 2011 at a group gathering at a mutual friends house, was like we picked up where we left off so many years ago. RIP my true childhood friend.
