“ I know it's been almost 19 years since you left us Bubba... It seems like yesterday you were calling my phone wanting me and you to go get a new sandwich on one of the fast food menus. God I miss your voice, I miss your smile, I miss your crazy words, I miss you aggravating me, I miss you period and everything about you!!!! Hailey and Mikey are all grown up, God, I wish you could've been there to watch them grow up.... They love you and we talk about you all the time!!!! Mama misses you so much, it kills me to see her hurt!!!! Dereck he misses you too but he stays in trouble lol... All of our lives fell apart when we lost you Bubba!!! I wish to God that I could go back and fix the night you left us... I love you more than you know!!! Rest easy Bubba, Sissy loves you!!!

“ Patty,

I hope it gives you some comfort to know that Ricky was a great kid. I was always glad to see him when he came to my house. I know he was comfortable there and that give me great pleasure. I loved Ricky like one of my own and I know that Cody misses him terribly. Joey and Cody and I will have a piece of our heart missing without him there. I will continue to pray for your pain to ease and for his dear soul. I know we'll see him again and that he'll have that silly grin on his face when we do.

Regards,
