“ *I'm am so sorry to hear of Ricky's passing. Ricky and his family has been a part of my family's history for as long as I can remember. Unfortunately, time and distance has kept us apart in our later years but, thanks to social media, we have been able to keep up. I send my sincerest sympathies to Donna, Jaime and Rick Jr. May God rest your soul Ricky Miles Sr.*

“ *Ricky Miles was a great man. He impacted hundreds of men's life. Myself being one of them. He was HARD AS NAILS, but he was one of the most compassionate and loving men I have ever known. Dealing with Ricky, you had to earn his respect, but Boy once you did you had a TRUE friend. The man would go out of his way to help you and would do anything for you. If you were his friend, you knew it. if you weren't you also knew it. He was very insightful and lived his life in an Honorable and Respectful way.*

Funny? He wrote the book.

The Lord blessed him with a good mind all the way til the end of his life. I will miss him, but I will never forget the core values of life that he taught me. I can truly say he helped to make me the man I am today. Thank you Ricky Miles .
