“ So many wonderful memories but the most recent was when Rita, Bubba, and myself was at the Mitchell days parade and we three sit on the porch and shared so many of our own memories that day. We laughed, cried and had the best time talking about our kids and grandkids. My son and her daughter were very close and would play together when we visited over there house or ours. My friend I Surly will miss talking and sharing fun times with you. Please tell my Stephen how much I miss him and momma and daddy. Heaven has gained one of the most funniest, sweetest, and best friends I ever had. RIP until we meet again. Love you RITA ARNOLD.

“ There are so many wonderful memories, I couldn't name them all. She was a true friend and was always there when anyone needed her. I remember going to Florida with her and a group of Golden Agers. It was such a fun trip and everyone enjoyed it so much. Many times we went to Loganville to the American Legion to party with her for her birthday. She made everything so much fun! RIP my sweet friend!!!
