“ I've only known Rita for about 4 years. The first time I met her, she welcomed me into her life and home as if family. She was a very passionate loving woman who would do whatever needed to be done to help others. She loved her family with every ounce of her being and they knew it. Rita David and John were there for me when I lost my Dad 2 years ago and I will always remember the love she showed me. I will miss you dearly and always remember the times we shared.

All my love
