How do I say goodbye to my classmate from elementary school through college . Such a beautiful friend that I loved from the day I meet her. OMG there is so much I could say but it would take to much time. I will always cherish the phone calls, the visits when I would come to the Atlanta area. I am glad that you always knew that your classmates of Camilla Consolidated School loved you and will miss you.

Sending love and prayers to Rita's children ,grandchildren and family. I love you my friend. God has plucked a beautiful flower for his garden. Rest my friend 🙏
