“ I am deeply saddened to hear about Rob passing away. I met Rob in law school and from the very start and throughout the years afterwards, I really enjoyed my time and conversations with Rob about everything; baseball, clients, parenting, politics, etc. Rob was always fun to talk with and never a dull moment; truly a well respected and very affable and selfless person! My prayers and condolences to his wife, children and family! Knowing Rob was truly a blessing and he will be sorely missed!

“ We met Rob over 10 years ago, he came into our office to give us advise regarding our business. I still remember that day, he sat acrosss from me and spoke in a language that was so relatable. From that day forward, Rob has always represented our business. It may be months at a time that we would go without speaking but we would always pick up where we left off. I called Rob again in February of this year when I needed Rob more than anything. He was there. He came straight down to my office, heard what was going on, and was genuinely angry about what it was and wanted to take the case even though it was not his expertise. He fought tooth and nail for us, guiding us through waters we had never chartered. He always made me feel we were going to beat this and everything would be ok and it was. Rob was the most caring, honest, and loyal man. We will miss our friendship, most importantly his smile and chuckle and sleeves rolled up and stories of all his kids....and their dogs! We pray for peace for the family. We pray for his wife and children. We are grateful for this man, each and every day. RIP our sweet friend! You will be missed more than you know. Until we see each other again~

“ *Rob was a great leader in the Walton County Community, a man of honor and integrity, and above all else he was a Husband, a Father and a Friend. I don't recall a single conversation I ever had with Rob where the focus didn't eventually shift to family....his greatest love.*

I will miss you my brother.....but we shall meet again!
