“*Robbie was a "free bird" he loved life and he loved his Lord. I knew Robbie in my teenage and college years in Brandon Fla . We attended the same church and were friends. He was always the life of the "party" or church fellowship.....but my fondest memory of Robbie was the day he came into the hospital room, to visit my wife Renae, and I after she gave birth to our third child Christopher on November 15th 2002 at Gwinnett MedicalYou see, Renae and I had moved away from Brandon Fla. to Atlanta in 1988, Robbie and his family had moved to Atlanta also, although we did no know this, he had heard of the birth through my brother in law Alan Auten, and Robbie shows up at the hospital to check on us! We had a great time remembering all of the old times and kids we grew up with, we had a chance to get caught up. He was his "funny" old self and of course we all had a good time, you couldn't help but have a good time with Robbie. Our prayers of support go out to Donna, the children and grandchildren, and to, "The Hendrix's", Nelson, Sharon, Kevin and Robbie, who were a big part of my teenage years at FBC Brandon, and those years have influenced my life greatly.*

In Christ,
