“ *Today marks 5 months without my sweet beautiful nanny💔 my name is Aidan I'm 14 and I am one of nanny's greatest grandchild , she used to always call my phone wanting to come to the house and just sit and talk with her , I enjoyed every second of it , I used to help her around with everything I could do and I'm so glad I got to spend time with her. I just wished I could have always done it with her :(💔 we miss and love you nanny💔🕊️.*

“ *I am sorry to hear of Miss Robbie passing, the whole family will miss her very much. I remember when my parents would come by to pick her up to carry her to work at Pacific Overall. That when they lived across the street. Having known the family for many years, you all have had many loses this year. My prayers are with you all.*

“*Robbie thomas was a hard working woman who was a great role model on the importance of doing whatever necessary to take care of her family. She was thoughtful and kind to me growing up and I will miss her. After my mom passed, I gave Robbie a box of fabric she turned them into pillow cases so I could remember my mom. Rest in peace Robbie.* 😘 jean
