“ *The bond between friends cannot be broken, no interval of time or space can destroy it. Not even death itself can part true friends. The loss I feel when you left is not the worst feeling in the world, it's missing you for the rest of my life.. that is the worst feeling. Your life to me was a blessing, your memory I'll treasure forever. You are loved beyond words and missed beyond any measure. I love you and miss you Buddy, you will always and forever be my brother... Semper Fi.*

“ *Daniel and I got to share many great memories and they can't all be captured in this... you are best described to me as the most humble and kind sole I got to share a lot of great times with. I'm thankful for every moment we shared. My favorite is our diving trips together... to see your eyes light up about diving was such a joy for me. You will forever be missed. Semper Fi Marine!!!*

“ Fly high my handsome “brother”! Daniel was the best! The best friend, the best part of our family, best father, best uncle to my kids, even made my oldestest daughters wedding a blast... he would do anything for anyone ... I will never forget the good times he made sure we all had at the lake on the jet ski and tubing! Banter between our football games Ga vs Tn, I always had Tn but from now on I take the dawgs for you! You have been there thru 2 divorces for me and made sure I was ok. I will never forget the Birthday trip you took me to Nashville in the “new” Camaro... scared me but we made it there and back—— barely lol....I will love you forever and I will never forget you you will always be my brother, no matter what! Prayers for Zane, your Dad and your cousins, we all love you sooo much!

“ Daniel had a kind heart and sole.

He was so proud to cook and have family gatherings to playing games to just chatting on the front porch. Or (sofa) . He loved giving and helping anyone in need of help . He was always there if you needed a hug or a shoulder to lean on or talk too. Or listen . I can remember him climbing under my house helping me to isolate it so we wouldn't freeze our butts off at my house. That wasn't his favorite thing to do but he did it with a smile 😊 . He loved to take Zane places and see him smile . He was truly a wonderful person inside and out. He's the dearest friend that I held closest to my heart

We have always stuck by each other through the good and bad times and always remained the best of friends with Hope ❤️👉 until I see you again my 👉👉

Spread your wings and fly . You are one special Angel 😇 that will always be in our thoughts and prayers xoxo
