“ *My Favorit redneck. Even tough my heart hurts so much, I feel warmth and happiness inside - because you let me be part of your life. I love all the memories we share, from our first ride home from the airport, our trip to Wyoming with Mary and me sleeping all the time, you just coming in from work, to our adventures on your visits, William breaking the plates (to bei honest, I think it was both of us), and Cretias laughter when you were joking around. Not to forget your love and caring for my wonderful, best in lifetime host-mom. I couldn't have ask for more. I'm so thankful for you, Mr. Bob and I will always smile, when I think of you. It hurts that you are gone and I'm with Jacqueline and your girls with all my heart. You know what I picture from now on? I see you sitting on a patio in a swinging chair, the wind in blowing a little and, you are making everyone laugh that is around you. I guess Kathie gave you at big welcome. And since she is there, you are good taken care of, that is for sure. Thank you for all you have done for me, for your love and time. And like I said, just in this moment and even tough tears are running down my cheeks, I have to smile, because of you. I will love you - always. Your little "Fräulein".*

“ We knew Bob for many years back in the 90s at Chestnut Grove Baptist Church. We worshiped together and were raising our children together. They were some of the best years and memorable times in our lives. Bob was a character, funny, loved his family, faithful to his friends friends and loved his Lord. Bob will be missed so much by friends and family. As we know Bob' earthly death is Heaven's eternal gain! Praying for Jacquelin and the family today and the days ahead!
