“ Bob was a "character" ...always had a smile and a great laugh. He managed the Landscaping Crew in my community. Bob took such great pride in the work he did. Never shirked responsibility if something wasn't done right. I remember his truck ..he called the Shrimp Boatno A/C was falling apart and he wouldn't let his boss replace it. Bob talked fondly of his family especially he Dadwell he's now in heaven making it even more glorious using his talent with his green thumb. God's Speed my friend....

“ As an old friend of Bob's son Eddie and of the family, I remember Mr. Cleary as one of the most fun loving, laid back guys I've ever known. I used to frequent the Cleary residents years ago as pretty much a member of the family (at least that's how Bob and the family made me feel) and he was always smiling, having a good time and nothing short of being an excellent and welcoming host. There was a light in him, much like his father, that you just don't find in many people these days. I will always think fondly of Mr. Cleary because he and his family are a part of some of my greatest childhood memories. He will certainly be missed and my condolences go out to his family, Especially to Edward "Pa Pa" Cleary, Eddie Joe and Evan. I love you guys and you'll always be in my thoughts.
