“ *I worked with Bob at Tomco. He was so much more than a coworker, he was my friend and he called me his adopted daughter as well as others who had lost their dad. A man of great faith we had many talks about the Lord. Bob always let his love for the Lord be known. Being the “adoptive dad” that he was, I could always go to him and trusted his advice. He always started a phone call with Hey sweetheart and ended with ok kid you take care, I love you. I will so miss that! You could always count on his dry sense of humor, which I loved. He will be truly missed. But I know that he is safe and at peace. I love you Brooke family. My thoughts, hugs and prayers are with you always* 🤍🙏✝️
