“ It was my honor and privilege to take care of Mr. Coleman for a few months. He stole my heart from the very beginning. What a precious man he was. He loved his cheetos, cracker Jacks and sweet tea. He will certainly be missed.

“ Where do I begin? I had the honor of meeting this man in June of 2014 as his CNA with Compassionate Care Hospice. It was an automatic attachment. Not a day went by that he didn't greet me with the biggest smile on his face. As time went on I grew to live him just like my own family. We've been through MANY bags of Cheetos (lol), many stories, Daniel Boone, Gunsmoke and even some tears. I will always cherish each and every moment I was blessed with by his side. I LOVE YOU MR.C!!
