“Dad I'm so sorry that time got away from us. I can't get it back all I can say is that I will forever carry you in my heart. I never told you that you were always my hero. I wish I would have. I'm not a big religious person but i know in my heart that you're in a better place. I will see you again in the after life. I hope they let you watch cartoons and westerns. Emmylou and Caleb love you and are going to miss you. I will always tell Caleb on his birthday and holidays that you loved him. Till we get to hug each other again. I love you, your son RL
