“ *I love you my little brother ...even though we didn't talk alot you were always in my heart. . I found a picture of you last nite, you have the cutest smile . I know your body has been made whole again and no more pain for you , that gives me comfort knowing that but it's hard to believe your gone. You will never be forgotten I promise you. . tell grandmother to make you a chocolate cake ...then let me know how yummy it is. This morning I stepped outside and saw angel wings attached to the moon ..I know that was you... I love you so very much please check in from time to time to let us know your ok and having fun . I will see you again one day ...💔💔💔💔💔💔💔💔💔💔*
