*I am so thank to have meet and worked with Rob at Tomco. Although I only new Rob for a short time, we seemed to have a lot in common.He was one of the kindest most humble guys I have ever had the pleasure of meeting. I so enjoyed talking to him, rather it was business or our similar interest in music. He will truly be missed. My deepest sympathies go out to your family. May God bless and comfort you at this difficult time.*

“ I wish to send my condolences to the family of Rob. I worked with him at Tomco and he was one of the kindest gentle souls I have ever met. I know I share with others that worked with him that we will miss him terribly and wish the family peace as you deal with this sudden loss.

Rob...you will be missed. It was only a short period you worked here, but you worked yourself into the hearts of the Parts & Service Dept. Your happy go get em attitude was always appreciated. We needed something.. "Call Rob"  
You enjoyed helping others and did it with a humble content heart. We hated losing you at Tomco, and now you are no longer with us in this world. To your family...may your Loss be Heavens gain. God Bless, Keep you, and comfort you all, and keep you safe under his wings.

We did not know Rob long at Tomco but, in the short time he was there the nicest & kindest person. Always spoke if you pasted him in the hall & was genuine. He went above & beyond when I was having computer issues. My sincere condolences to your family & will keep your family in my thoughts & Prayers.
