“ I was so sad and shocked to read the news of Robert's passing. I wish to be among those who are offering sincerest sympathy at this time. I have know him since 7th grade, when he welcomed me to Gwinnett County and we became friends. I have so many special memories of him. He was a friend, confidant, cheerleader and counselor all in one for me. I shall always be grateful for the friendship we had. He will be missed.

Love to Joey and family in this difficult time.

“ *This is so sad. Robert had a great smile and as long as I have known him he had a great disposition. We attended school together at South. I had started chatting with him back a year or so ago on FB. He told me all about care giving etc. He will certainly be missed. He was a terrific guy and touched a lot of lives in his lifetime.*

“ *I knew Robert while I lived in Atlanta in the 1990s and he was kind to me when I was new in town and I always enjoyed his conversation and company. He had a fantastic disposition and a great smile. I moved away, but I could never forget Robert. I am so sorry for the family's loss hope they will have peace remembering a life so fully lived. -- MP Wilson, FL*

“ I am still in shock. Robert was a great, true, trustworthy friend that cares so much for people. His heart was huge and he shared his love for others by making their lives better. I know he is probably doing the same thing in Heaven. Robert leaves many people heartbroken. He is missed.
