“ *Brent, you have always been like family to us, and we love you. You have such a good spirit within you, and one of the biggest and most helpful hearts around. We share many memories with you. Thank you for our many long long talks. For keeping us company, and helping with the kids. For great movies together, and pressure washing the house and many other projects with TOny. You are the reason our family loves Buffalo's chicken wings, and tortillas with cheese dip. We thank GOd for you and for the memories. We will truly miss you, :(but you are with us, in spirit. With faith, we say, Welcome to your new eternal life. May you rest in peace, with the love of Jesus in heaven, and all the angels and saints.*

Until we meet again,

Truly,

Tony, Julie, Kaylee, Christa, Casey, Jane and Breanna, Champ and Brandi

“ Brent was my first friend. I would remember and think of him over the years. What impressed me most about Brent was what a caring big brother he was to Craig and Stacey. Rest in peace Brent. Please save me a place up there.

Sincerely,
Gene Becker

“ *Hard to believe Brent has left us so young. I grew up with the Robinson family in Waterville ,he was about the same age as my older brother, they were our neighbors when we were young. Then we both moved out into the "country" many fond memories of Brent as well as his brother and sister, Very sorry to hear this praying for the family.*

“ I knew Brent growing up in Ohio when he married my cousin Susie. They had made a beautiful family with their children Brian and Laura. Everyone liked Brent. He had that instant way of making you like him as soon as you met him. As my mom said he could "fix anything!" He was extremely talented that way. We were very sorry to hear of his sudden passing and will be thinking of his family in the coming days and months. God speed. Jenny Krauser and parents Chris & Jeanne Krauser

“ My brother was a character. He loved his nephews deeply, and always made their time spent together fun. Whether hunting together or playing practical jokes. He was always a phone call away. Always my protector, he would call just to to check up on me. I will miss you...always.
