“ My big brother was everything to me!! He was my teacher, drill sergeant, father figure, and at times A JERK!!!! He taught me everything from building a fort to kickin' someones ass! SORRY my bad! The most important thing he ever taught me was FAMILY!! LOVE them or HATE them it is what it is. I like to think that not only did I get his good looks{minus the beard}{thanx mommie} but his personality. Secretly all we needed was approval. I always made a point to tell Axel that I was so PROUD of what he has accomplished and he always made a point to tell me the same. To hear my brother{ the man who could do anything} tell me he was PROUD of me, even for the smallest of things, made the whole world not matter. Not being able to her him tell me he's PROUD of me will be the hardest thing I will ever face; but the strength he has taught me will always be there. I LOVE YOU AXEL!!! I Will Always Strive To Make You Proud. And know no matter what I AM ALWAYS PROUD OF YOU!!!!!!##imported-begin##Anna Mae Sallstrom##imported-end##

“ Kathleen,
You, Gunnar, Angus & Isabelle mean the world to us. We are here for you anytime. All of you are on my mind & in my heart & in my prayers!

Rob,
You will always be my big little brother. I will always be older & you will always be taller & in a lot of ways much wiser. You have done so many things that I couldn't even imagine attempting. You are the coolest guy I know & I am so proud to call you my brother & my friend! There are no words to describe how lost I am without you. I hope that you have found your way to a place that brings you the peace that you deserve. You have been so good to so many, now it's time to be good to you because you are worth it & so much more.

Love always,
your big sister Karin, your nephew Chris & brother-in-law

“ I was very upset when I heard what happened. I didn't know that you were living in so much pain. I will miss uou very much. I prayed to God that he would forgive you and I also prayed that he watch over Kathleen and the children and help them through this difficult time and always. I am not mad at you for what you did, I am just upset that this was the only way for you to be pain free. I am very upset that you suffered for so long. You will truly be missed by all and we all love you and will love you always. I never expected anything like this from you. You will leave a huge void in my life, but, I know that you will never suffer anymore. I love you very much my little goobie angel and I will miss you very much. I don't know if there are any snipe in heaven, but, if there is, I'm sure you will find them.##imported-begin##aunt weesie##imported-end##

“ Elizabeth and Wayne, Karin, Anna Robert Sr. and Kathleen and children. Robert was such a sweet young man, he had a great personality. We will always remember the good times the kids had together when you were living in Stormville and they all remember that fourth of July, better known as Christmas in July at Aunt Hazels and Uncle Buddies, up in Gods Country. You are always in our thoughts and prayers hoping that all your yesterdays that you shared with Robert will help you to get through your tommorrows.

“ I want to send my deepest sympathy to the family. I met Rob at Van Wyck jr. high in 1986. We became good friends in high school. We talked a lot on the Boces bus every day. He was a caring, kind, & a fun person to be around. I was sad to hear that he was moving to Georgia when he told me. We lost touch since. He will be missed. I'm so sorry for your loss. My thoughts and prayers go out to the family & his children.##imported-begin##connie Donohue/Conklin##imported-end##
