“ Judy:

*It's August 2019 and I am just learning of Bobs death. I was his shipmate and drinking buddy in the USS Yellowstone days. He was the best...in fact he was the Best Man at my wedding in Columbia SC in April of 1966. After that I moved back AZ and Bob to Florida and we lost contact for a lot of years. I tracked him down over a year ago and we had a couple of phone conversations. I was hoping to get a few of the junior officers from the Yellowstone together somewhere...I am so sorry I did not act faster. I have missed, and I always will miss, his sense of humor. I am so sorry to have missed knowing you and your family and so sorry for your loss. I can tell you that that empty feeling goes away. I lost my wife Harriet in 2010. It's hard, but rely on your family and friends to carry you through. You are not alone, I will think good thoughts of you and of Bob everyday. He and I were happy misfits together in the Navy and I will never forget him.*
